EAC, a division of Canadian Manufacturers & Exporters

EAC VISION:

Working with Employers to eliminate workplace injuries and their costs.

EAC MISSION:

The mission of the Employers' Advocacy Council is to advance and protect the interests of all EAC member firms with respect to key Ontario workplace safety insurance issues.

What We Seek To Achieve:

Educate

Ensure that all EAC members have the opportunity to apply the latest educational opportunities while enabling them to become leaders in the fields of Prevention and Disability Management.

Advocate

Provide legislative advocacy for EAC members by identifying and prioritizing key issues impacting workplace safety insurance while providing the opportunity to liaise with key government officials, legislative bodies and administrative policy makers.

Communicate

Impart the latest information and resources on all legislative activity in the province of Ontario as it relates to all workplace safety insurance matters.

EAC VALUES:

Leadership and Education

Pledge to Workplace Safety

Respect and Integrity

Exceptional Customer Service

Continuous Improvement

WHO WE ARE

Serving employer needs since 1985

For 25 years, through our advocacy, workshops and safety group program, we work with employers to mitigate injury prevention in order to:

- reduce worker compensation costs
- the number of worker claims

As a membership based non-profit organization, the Employers' Advocacy Council (EAC), believes that a healthy environment is the cornerstone to a safe and healthy workplace.

By providing employers with the tools and knowledge to ensure a safe and productive workplace, an organization can achieve ultimate success.

At the EAC, we embrace safety in the workplace and work diligently to ensure that employers are well-equipped to be the leaders of healthy work environments.

Funded by employers for employers
